

INITIAL TEACHER TRAINING ACADEMIC YEAR 2022 – 2023

Bursaries & Scholarships

Bursaries and scholarships are available to trainees on tuition fee-based teacher training courses in England that lead to the award of [qualified teacher status \(QTS\)](#).

Receiving a bursary or scholarship depends on:

- highest relevant academic award
- ITT subject

Trainees are only eligible for a bursary or scholarship if they're entitled to support under the [student finance criteria](#).

Non-UK trainees should read [Train to teach in England: non-UK applicants](#). Applicants with a degree from outside the UK can contact [Get into Teaching](#) or their chosen training provider for further advice.

For 2022 to 2023, we are offering bursaries of:

- **£24,000 in chemistry, computing, mathematics and physics**
- **£15,000 in design and technology, geography and languages (including ancient languages)**
- **£10,000 in biology**

Applicants may be eligible for a bursary if they have 1st, 2:1, 2:2, PhD or Master's.

We are also offering scholarships of £26,000 in chemistry, computing, mathematics and physics. Scholarships are usually available to applicants with a 1st, 2:1, Master's or PhD, though in exceptional circumstances they may be awarded to a graduate with a 2:2 and significant relevant experience.
